Dear Dairy Industry Supporter,

The Sheboygan County Dairy Promotion Association is pleased to announce the 2025 June Dairy Breakfast on the Farm will be held on June 21st, 2025 at Double Dutch Dairy LLC & Farm Stapels.

The Dairy Promotion Association is excited to once again sponsor this promotional event. We feel strongly about educating the public about our local dairy industry and the promotion of the fine Wisconsin dairy products.

We would like to invite you to be a part of the dairy breakfast. We are looking for support in different ways, including monetary donations, donations of products that would be used at the breakfast, and volunteering time during the event. The enclosed form highlights the various categories. Any support you can provide would be greatly appreciated.

We ask that you send this form back before April 1st. With following this deadline we are able to get your business name on all designated promotional items.

Thank you in advance for your support of the Sheboygan County Breakfast on the Farm! We are looking forward to working with you again for an event that many look forward to every year!

*Please complete the enclosed form and return to:
