Hello fellow dairy enthusiasts!

We are going to have vending machines stocked with ice cold milk at the Sheboygan County Fair again this year! We take great pride in having the most affordable drink option at the fair. We are looking for sponsors to help us keep the cost at just \$1 for a milk chug. Would you be willing to help us? All sponsors will have their name or logo displayed on a banner next to the vending machines. We will also have the list of sponsors posted on our Facebook page. We are asking each sponsor to donate \$100. If you have any questions please email us at shebcodairypromo@gmail.com

Please detach and return the bottom portion **by AUGUST 8th**. This will allow us enough time to get the sponsor banners organized and ordered for the Fair.

Please mail to:
